You will not find a better investment than this! This well-maintained, spacious home is in the absolute best position, in a quiet cul-de-sac, backing on to a rural horse property, yet is just moments from the Richmond shopping centre.

The home is freshly painted and is well maintained throughout. With beautiful timber flooring & floor to ceiling windows, the air conditioned living area also has a gas heating point & ceiling fan. The fresh, modern kitchen has stone benchtops & a gas stove top, and is light & airy thanks to the large window overlooking the garden.

All 3 bedrooms are newly carpeted & have ceiling fans, with built-in robes in two. The well maintained bathroom has a separate shower, bath, and toilet.

Flooded in natural light, the sunroom features new carpet and has a great outlook over the level, fully-fenced rear garden, which is home to a classic orange tree and garden
