If there was ever a place to isolate yourself from the pressures of daily life, this is it.

An exquisite rural hideaway, every luxury has been considered in this sprawling sandstock residence, with space and comfort key in its versatile design.

Highlighted by the rich tones of West Australian timber flooring, the multiple living spaces have been tailored to cater for both casual and formal entertaining, with ducted air and two slow combustion fireplaces ensuring year-round comfort.

A massive undercover rear deck provides a spectacular connection to the surrounding environment, and provides fluid indoor/outdoor living with its outside cinema, built-in spa, and a separate swim-spa.
